Young disaster victims need Kiwanis' help

As you may know, the recent earthquake in Haiti and mudslides in Central America have tragically affected thousands of families.

One of the responsibilities we have as your officers for Kiwanis International and the Kiwanis International Foundation is to ask members worldwide to support efforts that provide short-term help to the affected families. We also want to inform you that proceeds from the Kiwanis International Disaster Fund will be used to aid children left homeless and in need of help as a result of Haiti's devastating quake.

Your Kiwanis International Foundation will work through the districts to ensure that funds are available and directed to children with the most critical needs.

Please send your support to the Kiwanis International Foundation, mentioning the Disaster Relief Fund. Donations can be made online at www.kif.kiwanis.org/KIF/givenow.aspx or mailed to the Kiwanis International Foundation at:

As members of a great service organization, our thoughts are with the children and families affected by these disasters. Please help ensure that Kiwanis continues to serve the children who are innocent victims of tragedies.
