3 Kiwanis One Day 2010

It's not too early to start planning your service project for Kiwanis One Day, April 10, 2010. New resources are available, in addition to highlights from One Day 2009. Also, applications are now being accepted for the Kiwanis One Day Contest—top two winning entries will receive either a Kiwanis magazine feature article or a professionally shot video.

4 New resources available soon!

Check out the new resources available about chartering and club sponsorship.

[SLP Guide Information for Administrators](#)

As the interest for starting new SLP clubs grows, we want to provide the best tools available for sharing the message about the Kiwanis family. A new SLP guide and online site are designed to meet this need and potentially continue the growth of our SLP clubs.

5 Tell us what you think!

Thank for those of you that have taken the time to complete the ICON survey. If you have not given us your feedback, please do so before September 15, 2009. Thank you!

6 Typhoon Victims need Kiwanis' help

Thousands of families have been tragically affected by the typhoon that struck Taiwan in early August 2009. Torrential rain and mudslides have devastated this area, causing many deaths and leaving people homeless. The Kiwanis International Foundation is raising funds to help the victims. Proceeds will be used to aid children left homeless and in need of help. Donations can be sent to:
